Data Privacy Statement for Employee Onboarding

At Millennium I.T.E.S.P (Private) Limited, we are committed to protecting the privacy and security of our employees' personal information. This Data Privacy Statement outlines how we collect, use, and protect your information during the onboarding process.

1. Information We Collect

We may collect the following types of personal information during the onboarding process:

- Personal identification details (name, address, phone number, email)
- Employment history and qualifications
- Bank account and tax information for payroll
- Emergency contact details
- Any other information necessary for employment

2. How We Use Your Information

Your personal information is used for the following purposes:

- To process your employment application and verify your qualifications.
- To facilitate payroll and benefits administration.
- To comply with legal and regulatory requirements.
- To communicate important information regarding your employment.

3. Data Sharing and Disclosure

We will not share your personal information with third parties, except in the following situations:

- As required by law or to comply with legal obligations.
- In connection with a business transfer, such as a merger or acquisition.

4. Retention of your personal data

We will retain and use your personal data to the extent necessary to comply with our legal obligations, resolve disputes, and enforce our legal agreements and policies.

5. Data Security

We implement appropriate technical and organizational measures to protect your personal information against unauthorized access, loss, or destruction. Access to your data is limited to authorized personnel only.

6. Your Rights

You have the right to:

- Access your personal information.
- Request corrections to your information.
- Request deletion of your information, subject to legal obligations.

7. Changes to This Statement

We may update this Data Privacy Statement from time to time. We will notify you of any significant changes.
